

RISE-42HD

Desktop Sit-Stand Workstation

This Desktop Sit-Stand Workstation quickly and economically converts an existing desk to a smooth and effortless sit-stand workstation.

With a NEW 42" wide primary work surface and a robust 45 lbs. load capacity, the HD42 can easily accommodate 2 x 27" monitors and still have extra space for other worktools.

Features	Benefits
Large useable primary work surface	The primary work surface is 42" wide to accommodate 2 x 27" monitors, monitor arms, an Apple iMac or laptop with monitor
Single paddle height adjustment control	Simplified single paddle allows for added control when raising and lowering the workstation
Gas assisted height adjustment	Provides smooth, quiet and infinite height adjustment through a 14.6" range allowing users to easily set the workstation to their ideal ergonomic position
Primary work surface can be extended 20" above the desk	A large height adjustment range accommodates a greater variety of users
Three primary work surface grommet holes	Allows for cable management and attachment of a KV monitor arm to improve ergonomic functionality and to clear the secondary work surface
Keyboard surface adjusts with the primary work surface	Improved ergonomics over competitive units that are just one work surface
20° of keyboard surface tilt	Allows users to infinitely adjust the keyboard surface tilt from -10°/+10° for an ergonomic typing position, in the sitting or standing position
Clip-on mouse fence and cable manager	The moveable mouse fence has integrated cable slots to neatly control mouse cords
Compact footprint	Easily fits onto a 24" deep desk
Ships fully assembled	No tools are required for installation making it easy to retrofit existing office space
Weighs 43 lbs.	Light enough for simple installation and moving from desk-to-desk
Supports 45 lbs. of technology	Strong enough to support users technology requirements
Two Year Warranty	Tested to 15,000 cycles, the Volante HD42 provides worry free reliability
Available in black	A neutral color to match any office design décor
